## About Us

Virtue Engineering Pvt. Ltd. provides industrial products to customers backed by extensive technological know-how and industry experience. We are a reputed manufacturer and supplier of products, including Bag Filters, Rotary Dryers, Heat Exchangers, Boiler Components, and Boiler Pressure Parts. We also offer Erection Services and Boiler Chimney Fabrication Services as a service provider. Our products, which are produced following international quality control standards, are in high demand for their high durability, simplicity in installation, high efficiency, and other qualities. We have assembled a team of knowledgeable professionals who can handle the demands of clients. Sincere efforts are being made by our team to raise the bar for excellence in the sector. Engineers, quality controllers, technicians, and other professionals with a strong background in process equipment make up our workforce. In addition, we offer our staff seminars and workshops to keep them abreast of emerging technologies and industry norms.

Since its inception, Virtue Engineering Pvt. Ltd. has dedicated itself to creating innovative methods and assistance systems for the boiler industry. By consistently investing in human resources and manufacturing processes, we support the boiler industry while expanding. We focus on enhancing our product and service quality while lowering cycle cost and time to improve our performance. We can act as a dependable source for Rotary Dryers, Heat Exchangers, Bag Filters, Boiler Components, Boiler Pressure Parts, Boiler Chimney Fabrication Services, etc., in Gas, Petrochemical and Oil Plants thanks to our professional methods and accumulated expertise.

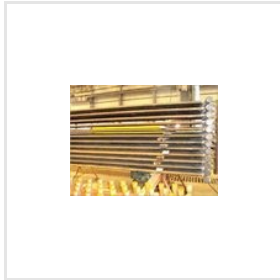

## Key Facts

<b>No of Staff</b>	200
<b>Year of Establishment</b>	1991
<b>OEM Service Provided</b>	No

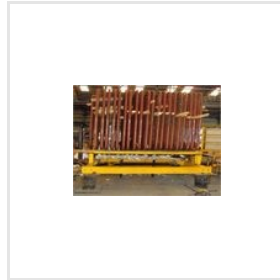

**Our Products**

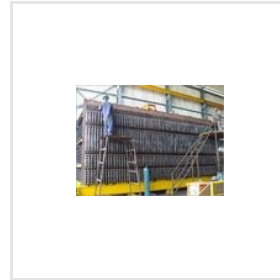

**Evaporator Coil Assembly**

**CFBC Boiler**

**Boiler Superheated Assembly**

**Boiler Economizer**

**Piping Air Panel**

**Jacketing Valve**

**Thermal Oil Heater**

**Membrane Panel Assembly**

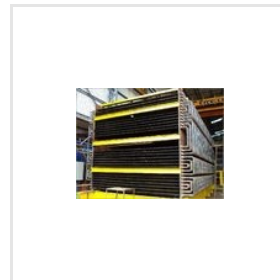

**Boiler Manifold Headers**

**Fin Type Economiser**

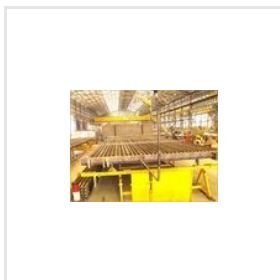

**Convection Assembly**

**Boiler Economizer Assembly**

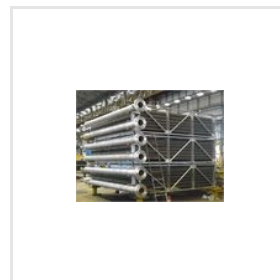

**Membrane Panel Assembly With Drum**

**Boiler Heat Recovery Steam Generator**

**Boiler EH Fluid Piping**

**Boiler UOG Fin Tube Assembly**
